TESTIMONIALS

I was impressed with the professionalism, knowledge and experience from the staff. Everyone was pleasant and responsive to my calls and questions. The professional photos helped to sell my condo in two days! I highly recommend this brokerage to anyone buying or selling real estate. Thank you LifeStyle Homes of Hawaii for providing this great service!

They also helped me buy and sell a home in Ewa Beach, Hawaii. The escrow team is extremely responsive to any inquiries, often responding back in minutes. Made both of our transactions a breeze! I would not hesitate to recommend LifeStyle Homes of Hawaii to anyone looking to make a real estate transaction on the islands.

I am SO HAPPY with the service received! For those that may be skeptical, as a now satisfied customer I can honestly say I was in your shoes when I first contacted LifeStyle Homes of Hawaii. The team went above and beyond all expectations and sold my property with little to no effort on my part. From the professional photos, MLS listing, cleaning, showings, and constant updates, I could not be more satisfied. I will definitely give Lifestyle Homes of Hawaii a call the next time I need to sell another property!

LifeStyle Homes of Hawaii's entire squad is ridiculous. Ridiculously Awesome! Ridiculously Friendly and Ridiculously Professional. They all have that Aloha Spirit where you feel good going with people that have that Aloha inside. If you're blessed to work with: Alicia, Mitivai, or Joshua you'll know exactly what I'm talking about. These good people helped my wife and I sell two properties on separate islands very quickly and pain free. They went above and beyond: helping, explaining, and advocating and that's what you want in a great team folks that know their jobs well and are super friendly. First Class outfit all the way!

My wife and I sold our two bedroom condo using LifeStyle Homes of Hawaii, and are pleased that we did.. The brokerage we hired was accessible beyond all our expectations, and the office staff provided the required documentation and explained what we needed to know in a timely manner. I once asked Mitivai if she ever went home, because she was always available whenever we had questions or concerns. The photos were professional, the price point we agreed upon was a mutual decision rather than a dictated low-ball number in order to get a quick commission, and it was a pleasure getting to know Mr. Samuels, who is akamai with a quick sense of humor even during the occasional stressful moments while awaiting the close. We would definitely recommend the Lifestyle Homes of Hawaii team to others who have realistic expectations.

LifeStyle Homes of Hawaii team provided the professional service that we needed to sell our home. The whole process from the beginning until the end went smoothly. Being that this was our first time, I had many questions, but every time I would call the Lifestyle Homes of Hawaii staff, they provided me with the answers in a timely manner. They were never too busy for us and if I got a voicemail, they would always get right back to me regarding any of my concerns. They are very knowledgeable about the business and straight to the point. They would always reassure me by saying, "don't worry, our office staff will take care of everything". They did and made this whole process pretty simple. We worked with his team, who is very professional. They were prompt in getting back to me and notifying me throughout the process until the very end. It was a pleasure working with LifeStyle Homes of Hawaii and I would definitely recommend Lifestyle Homes of Hawaii! Mahalo, LifeStyle Homes of Hawaii.
